28th July 2025

To All,

A huge thanks to you and your colleagues at Eason and Son Limited for your very kind donation of €15,673 which is a combination of the funds raised for Childline Breakfast (€1,515 online + 479 cash lodged) and Childline Abseil (€13,679). Your support is so greatly appreciated.

Everyday hundreds of children and young people are taking charge of their lives. They have identified the challenges or issues they wish to address and through their own bravery are taking steps to tackle those issues – by reaching out to Childline.

Thanks to your support, you are allowing us to let children and young people know that there is always somebody there to listen, 24 hours a day, no matter what they want to talk about. You are making a real difference every day; your generosity helps us to make sure children and young people don't have to face their challenges alone.

On behalf of all the children and young people who seek support from Childline – and the volunteers and staff who are there for them – thank you.

With warmest regards for your generous support,

Brían Sparks
